INFORMATION FOR EMPLOYEES

In accordance with the Americans with Disabilities Act, Western Oregon University provides reasonable accommodations to qualified individuals with disabilities who require such accommodations to safely and effectively perform the essential functions of their positions. Any employee with a disability is welcome to request such reasonable accommodation(s).

You may make a request for reasonable accommodation to your supervisor, and/or to the director in the Office of Human Resources. In the event that you make a request to your supervisor, the request and required documentation will be forwarded to and reviewed with the Director of Human Resources to determine the appropriate action to be taken, and to obtain assistance, if necessary, in implementing any accommodation that is provided. If you make the request directly to the Director of Human Resources, the request will be discussed with your supervisor to the degree necessary to properly evaluate the request and to implement any accommodation provided. You may request that the director not disclose the nature of the disability to your supervisor. Whether, or to what degree, such a request can be honored will depend upon what information must be provided to your supervisor to allow him or her to assist in the decision regarding appropriate accommodations.

You should request a reasonable accommodation by filling out and submitting to your supervisor, or the Director of Human Resources, the Employee Accommodation Request Form on the reverse side of this page. The documentation provided by your physician should be submitted to the Office of Human Resources.

Your request for reasonable accommodation, and any information submitted in support of or related to that request, will be kept confidential, except that it will be shared with those University officials who are involved in evaluating and/or implementing the request.

Any questions regarding the reasonable accommodation policy or process should be directed to Judy Vanderburg, Director of Human Resources, Administration 205, (503) 838-8131.
