Any such actions shall be consistent with Board actions. The Board may review and intervene in any and all aspects of the University; amend or rescind of its actions; and take any such action it deems proper. The Board shall adopt a mission statement for the University in consultation with the faculty, students and staff members.

The President reports exclusively to the Board, and the Board supervises the President. The President shall, from time to time, report to the Board all significant matters within the President's knowledge related to the affairs of the University.

1.4 University Budget. The Board retains sole authority for and shall adopt the budget of the University. The business and administrative transactions described at Section 1.6 of this Board Statement do not require separate approval if they are included, in sufficient detail, in the University budget adopted by the Board as provided in this Section.

- 1.6.5 The approval of the execution of instruments relating to any borrowing or debt finance transactions which are or may be in excess of \$500,000, singularly or in the aggregate.
- 1.6.6 The approval of the execution of instruments relating to any shares, stock or other equity or interests in or obligations of any entity other than the University in excess of \$1,000,000, unless the shares, stock or other equity or interests in or obligations of the entity are publicly traded or provided through the State Treasurer, Western Oregon University Foundation or a brokerage firm, investment bank, depository or other licensed firm.
- 1.6.7 Consent to the encumbrance of University real property by the State of Oregon.
- 1.6.8 The approval of the execution of any other instruments, including but not limited to instruments related to the acquisition, disposal or provision of goods and services, where the anticipated cost or value to the University exceeds \$500,000; and approval of any increase or decrease in cost or value that causes the total of all increases or decreases in cost or value to exceed \$500,000. When the ultimate aggregate cost to the University is not known in advance for instruments relating to the acquisition, disposal or provision of goods or services on a continuing or intermittent basis (e.g. rental, service, or supply contracts), the amounts set forth in this paragraph shall be calculated on an annual basis.
- 1.6.9 The approval of any settlement agreement or release of claims which are or may be in excess of \$500,000.
- 1.6.10 The approval of the execution of any instrument that the President, Vice President for Finance & Administration, Chair of the Board of Trustees, or a majority of the Trustees deems appropriate for consideration by the Board or a Board committee, so long as the instrument has not been executed.

The Treasurer shall determine in each such case, including when the gift is from the Western Oregon University Foundation, whether a hazardous waste inquiry or other due diligence is required, and the scope and extent of such inquiry. The President and the Vice President for Finance & Administration, in consultation with the Vice President for Development, shall establish further policies and procedures regarding evaluation of gifts of real estate, as may be necessary or desirable from time to time.

1.9 Gifts to the Western Oregon University Foundation. Gifts to the Western Oregon University Foundation shall be accepted by the Western Oregon University Foundation in accordance with then-current agreements between the University and the Foundation (as may be amended from time to time).

### **3.0 Enforcement**

Any Board action or Presidential action that is intended to have the force of law must include an opportunity for appeal. Any Board action or Presidential action may be enforced by the University through internal procedures and in any court of competent jurisdiction. All Board actions and Presidential actions are binding on University employees, students, volunteers, contractors and members of the public, except as set forth therein.

### **4.0 Categories of Authority**

Consistent with authority of the Board of Trustees ("Board") authority to manage the affairs of Western Oregon University ("University" or "WOU") and, in recognition of its fiduciary obligations, the Board identifies the following categories of authority and the principles and processes governing the development of statements of authority, including bylaws, committee charters, board statements, board resolutions, university policies, university procedures, handbooks, and manuals.

4.1 Bylaws. Board Bylaws outline the essential elements necessary for the Board's constitution and operation, including, but not limited to Board officers, meeting agendas, and certain legal obligations.

4.2 Committee Charters. Committee charters identify the duties and scope of authority for the Board's committees, both standing and ad hoc and must be consistent with the Board's Bylaws, Board Statement on Committees, and other Board actions. These charters may only be promulgated, amended, or repealed by a majority vote of the Board. Board committees, from time to time, may suggest changes to the committee charters for Board action.

4.3 Board Statements and Resolutions. Board Statements are broad, strategic statements communicating the Board's expectations. As opposed to University Policies or Procedures, which could communicate delegated, operational or transactional authority or procedures, Board Statements communicate the fundamental strategic, fiduciary, and structural expectations of the Board. While the Board's committees, President, and WOU Policy Council play a role in the development and recommendation of Board Statements, such Statements may only be promulgated, amended or repealed by a majority vote of the Board. Pursuant to ORS 352.107, the Board may authorize a Board Statement to have the force of law. Board Resolutions are also reserved for broad, strategic statements, but may be used in specific circumstances, including statements that need to be reaffirmed periodically by the Board or for actions authorizing the sale of bonds. Board Statements and Resolutions must be consistent with the Board's Bylaws and federal and state law.

4.4 University Policies. University Policies describe the exercise of authority delegated to the President by the Board. University Policies typically communicate the broad, strategic expectations of the President regarding the University's affairs. University Policies must be consistent with Board Statements and Resolutions and federal and state law. In any event where a University Policy is inconsistent with a Board Statement or Resolution, the Board Statement or Resolution shall prevail.

4.5 University Procedures. University Procedures, which likely work in concert with one or more University Policies, communicate the day-to-day steps or processes necessary for the effective and efficient accomplishment of University Policies. University Procedures must be consistent with Board Statements and Resolutions, University Policies, and other actions, as well as federal and state law. Where a University Procedure is inconsistent with a Board Statement, Resolution, University Policy or other Board action the Board Statement, Resolution, Policy, or action prevails.

4.6 Handbooks and Manuals. Handbooks and Manuals exist throughout the University and typically communicate desktop procedures or expectations for a University department, unit, or functional area. Examples include, but are not limited to the WOU Faculty Handbook, the WOU Student Handbook, and the WOU Fiscal Policy Manual. Handbooks and Manuals must be consistent with Board Statements, Resolutions, and other actions, and University Policies and Procedures. Where a Handbook or Manual is inconsistent with a Board Statement, Resolution, or action, or University Policy or Procedure, the Statement, Resolution, action, Policy, or Procedure will prevail.

## **5.0 WOU Policy Council**

5.1 To assist in the formulation, drafting, revision, recommendation, and maintenance of the Board's and University's statements of authority, the Board directs the President to establish and maintain a policy council. The WOU Policy Council ("Council") will be convened by the WOU General Counsel. With the approval of the President, the Council will

consist of representatives of the major functional units at the University (e.g., human resources, business affairs, contracting and procurement, public safety, student affairs, academic affairs, and risk management), as well as duly-elected or appointed representatives of the Faculty Senate, Staff Senate, and Associated Students of Western Oregon University ("ASWOU"). The Council is a consultative, multi-functional group designed to provide valuable input and advice on the categories of authority described in this Board Statement.

5.2 The responsibility for any statement of authority described at sections 4.4, 4.5, or 4.6 of this Board Statement resides with the cognizant officer or director ("Responsible Officer"), even if employees that report to the Responsible Officer participate in the Council. Responsible Officers include: (1) chief academic officer, (2) chief financial officer, (3) chief legal officer, (4) chief student affairs officer, (5) chief development officer, and (6) athletic director.

5.3 The Responsible Officer is authorized to maintain Handbooks and Manuals described at Section 4.6 for any unit or department that reports to him or her. The Responsible Officer may seek the advice and guidance of the Council for Handbooks and Manuals, but is not required to do so. Notwithstanding this authority, a Handbook or Manual is not valid unless it contains statements that (i) it does not create a contractual obligation unless expressly stated, (ii) that the official copy may be found on the University's policy website, and (iii) any inconsistency with a category of authority described at Section 4.3, 4.4, or 4.5 of this Statement will be resolved in favor of the applicable Board Statement, Resolution, or action, University Policy or Procedure, or, as applicable collective bargaining agreement.

5.4 The Responsible Officer, or designee, shall present University Procedures, whether new or existing, to the Council for advice. After discussion of the draft University Procedure, the Responsible Officer may seek the President's approval. Although a vote is not required in order for the Responsible Officer to submit a University Procedure to the President for approval, the Responsible Officer shall communicate to the President any major issues or concerns, if any, identified by the Council. A University Procedure is only valid after an official copy is (i) approved by the President and (ii) included on the University's policy website.

5.5 The Responsible Officer, or designee, shall present University Policies, whether new or existing, to the Council for advice. After discussion of the draft University Policy, the Responsible Officer may submit the draft University Policy to the President for authorization to seek comment from the University community. Although a vote is not required in order for the Responsible Officer to submit a University Policy to the President, the Responsible Officer shall communicate to the President any major issues or concerns, if any, identified by the Council. With the President's authorization, a Responsible Officer may submit a draft University Policy to the University community for comment for at least seven calendar days. The draft shall also be posted on the University's policy website during the comment period. After seven days, the Responsible Officer, with any comments, may return to the Council for advice or request approval from the President. A University Policy is only valid after an official copy is (i) approved by the President and (ii) included on the University's policy website.

5.6 Board Statements or Resolutions may come to the Council for advice and consideration through a variety of channels, including the Board or its chair, its committees,

whether standing or ad hoc, the President, or a Responsible Officer. The relevant Responsible Officer, at the direction of the Board chair, Board committee chair, or the President, may present a Board Statement or Resolution, whether new or existing, to the Council for advice and consideration. After any advice and consideration by the Council, and with the Board chair's authorization, the President or Responsible Officer may submit a draft Board Statement or Resolution to the University community for comment for at least seven calendar days. The draft may also be posted on the University's policy website during the comment period. After seven days, the President or Responsible Officer may compile any comments and seek the advice of the Board chair on whether to return the draft to the Council for further refinement or include the draft Board Statement or Resolution in the Board's docket for action at a regular, special or emergency meeting. Notwithstanding the Council's existence as a consultative, advisory group assembled for the benefit of the University, nothing in this Section shall be construed to require the Board or its committees to submit its Board Statements or Resolutions to the Council.

## **6.0 Format**

6.1 All categories of authority will be presented substantially in the same format. The official copy of the authority will be found on the Board's website and the University's policy website, with an official paper in the Board's office.

6.2 The Council will devise an operational system to organize the categories of authority under discernible functional areas.

6.3 Responsible Officers will, from time to time, review categories of authority within their functional areas to determine if repeal or amendment is advisable.

6.4 Technical changes to the organizational system, titles of authorities, indexing of authorities, or any other administrative change necessary to maintain an accessible and efficient policy function that does not conflict with this Board Statement may be accomplished after notice to the Board Chair.

## **7.0 Document History**
