

*Gallaudet University is offering*  
***Best Practices in Meeting the Needs of Deaf and Hard of Hearing Immigrant Students***

**April 21-22, 2012; Saturday, 8:30 am to 5:30 pm; Sunday 8:30 am to 3:30 pm**

Birney Elementary School -- 1202 S. 76<sup>th</sup> St Tacoma, WA 98408

This course can be accessible from several remote sites around the state of Washington. The sites are: Anacortes, Vancouver, Pasco, Spokane and Edmonds

In order for a site to be connected, there must be at least three people pre-registered at for the location, no later than two weeks prior to the class. Please indicate your preferred remote site by signing up for that class section on your registration form.

This course is designed to address the growing demand from professionals working with Deaf and hard of hearing students who are immigrants, and/or children of immigrants. These professionals include teachers of the deaf, speech and language therapists, early interventionists, audiologists, interpreters, and others. Topics for this extension course will include communication and language development, working with immigrant families, older students with limited formal education, and instructional interventions and strategies for immigrant Deaf and hard of hearing students.

Instructor: Barbara Gerner de Garcia, Ed.D.
