CLARIFICATION OF HIGH SCHOOL DIPLOMA OR GED

On your FAFSA record you left the high school equivalency question blank or other. According to federal financial aid regulations, one of the eligibility criteria for students applying for financial aid is that you have a high school diploma, General Education Development (GED) credential or completed home schooling. Students enrolled in college prior to the 2013-14 school year may qualify for federal financial aid with other documentation. In order to award federal financial aid, additional information is needed. If you have any questions about this form, contact the WOU Financial Aid Office.
