VERIFICATION: Child Support Paid

Someone in your household (as defined below) indicated on your Free Application for Federal Student Aid (FAFSA) that they paid child support in 2015. List in the table provided the names of the persons who paid child support, the names of the persons to whom the child support was paid, the names of the children for whom the child support was paid, and the total annual amount of child support that was paid in 2015 for each child.

The term household can include the following:

- **For Independent Students:**
  - The student.
  - The student’s spouse, if the student is married.
  - The student’s spouse or spouse’s children if the student or spouse will provide more than half of their support from July 1, 2016 through June 30, 2017, even if the children do not live with the student.
  - Other people if they now live with the student and the student or spouse provides more than half of their support and will continue to provide more than half of their support through June 30, 2017.

- **For Dependent Students:**
  - The student.
  - The parent 1 and/or parent 2 on the FAFSA (including a stepparent) even if the student doesn’t live with the parents.
  - The parents’ other children (including step-children) if the parents will provide more than half of their support from July 1, 2016 through June 30, 2017, or if the other children would be required to provide parental information if they were completing a FAFSA for 2016-2017. Include children who meet either of these standards even if the children do not live with the parents.
  - Other people if they now live with the parents and the parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2017.

If more space is needed, provide a separate page that includes the student’s name and ID number at the top.
