# Welcome...

*Congratulations on taking the first step in what will be a wonderful new educational experience! Western Oregon University and the College of Education welcome you to apply for the Master of Arts in Teaching (MAT) program.*

*Our MAT program is a 56 credit program and is available in two different formats. We have an on-campus program that takes 4 quarters to complete and two different online/hybrid programs that take either 6 quarters or 7 quarters to complete. Our fall start online/hybrid program takes 7 quarters and our winter start online/hybrid takes 6 quarters to complete. Both the fall start and winter start online/hybrid programs graduate at the same time. Teacher Candidates who choose the on-campus program spend the morning hours in public schools student teaching and then come to campus 2 – 3 days per week in the afternoons and evenings for classes. Online coursework, combined with monthly on-campus Saturday classes, offers a flexible and rich learning environment for the online teacher candidates.*

*University courses are closely linked to classroom experience so Teacher Candidates can explore teaching practices against rich theoretical frameworks of the courses being taught. New cohorts begin Fall Term (online/hybrid), Winter Term (online/hybrid), and Summer Term (campus based) with Teacher Candidates working together as a cohort to complete courses. Teaching proficiencies that define what teachers should know and be able to do upon completion of the program are threaded through each course. MAT proficiencies are met through the courses in the MAT curriculum and field experiences because the goal of our program is to give each Teacher Candidate an opportunity to obtain a deep understanding of the complexities of teaching and learning.*

This MAT program:

- ▶ Consists of 56 credits
- ▶ Meets TSPC requirements for Initial Teaching Licensure (our program only licenses content areas in Middle School and High School)
- ▶ Can be completed either on campus (4 quarters), OR online/hybrid (6 or 7 quarters).

Specialty endorsements of ESOL and BIL/ESOL are available as an added 18 credit program.

*On behalf of our faculty and staff in the College of Education, we want to make your admissions into Western Oregon University Graduate School and the MAT program as smooth as possible. In this packet you will find information for admittance to WOU and the College of Education, as well as information about the MAT program. Also, included is a checklist for important steps in the application process and degree completion procedures.*

*"The MAT program was a perfect fit for me, offering a combination of on-campus course work and independent investigation, all in a supportive and engaging environment. I was motivated by the instructors and had the freedom to complete assignments within the demands of my very busy schedule, finishing the program while working in schools full time. I would highly recommend the program to anyone who is driven, self-motivated and ready for a very rewarding challenge."*

*Andrew McFarlane, 2005 MAT Graduate*

Teacher Candidates in the MAT program may earn up to two endorsements in the middle school and/or high school content areas. Each endorsement area requires the passing of the NES content area exam; successful completion of a practicum; and the fulfillment of content pedagogy courses. ***For online/hybrid students the fulfillment of the content pedagogy courses can be very difficult to complete for the second endorsement as all pedagogy courses are taught at the same time during the scheduled Saturday classes. This means that Teacher Candidates would have to come to campus during the week to fulfill their second endorsement area pedagogy coursework.*** This does not apply for those earning an ESOL or ESOL/Bilingual Endorsement.

For the State of Oregon, the measurement of sufficient knowledge in the subject area is passing the NES subject area test. Teachers Standards and Practices Commission (TSPC) is the governing licensing office for the State of Oregon. All requirements for licensure are listed on the TSPC webpage found at: [www.tspc.state.or.us](http://www.tspc.state.or.us)

## Endorsement Areas:

The list below indicates endorsement areas you can earn through the initial license MAT program at WOU:
