

Assistant/Associate Professor of Computer Science **Computer Science**

Recruitment Number: F1813

Application Deadline: Review of applications begins **December 18, 2018** and will continue until the position is filled.

The Computer Science Division (CSD) at Western Oregon University (WOU) invites applications for two tenure track positions at the assistant or associate professor level in fall 2019. An earlier start date may also be considered.

The CSD offers programs at the undergraduate and master's levels and contributes courses to several other programs at WOU including the undergraduate general education core. The main areas of teaching include data analytics, cybersecurity, database management, enterprise architecture, computing and communication infrastructure, web & mobile technologies, application development, and IT project management. The CSD faculty scholarship encompasses several areas of Information Systems and Computer Science. WOU's salary schedule can be found in Article 16 of the [WOUFT-CBA 2017-2020](#). Please see www.wou.edu/cs for details about our programs and courses.

We seek candidates who deeply value teaching and have interests and expertise in cloud computing, cybersecurity, data science, and or other emerging areas in information systems and computer science.

Qualifications:

- Ph.D. in computer science, information systems, or a closely-related discipline is required (ABD considered if degree requirements are completed prior to start date)
- Strong knowledge in computer science and information systems, and a commitment to excellence in teaching, advising students, research, program development and evaluation, teamwork, and services.
- Candidates from all areas in computer science or information system will be considered
- Candidates with demonstrated knowledge in cybersecurity and at least one relevant certification (such as CISSP, CISA, CISM, CEH, Security+, etc.) are preferred

*****Candidates applying for the position of Associate Professor are required to have held the rank of Associate Professor at another institution of higher learning. (Tenure process is outlined in the Faculty Collective Bargaining Agreement)***

We are not considering candidates who require Visa sponsorship support. Additionally, the University typically only considers visa support for employees placed in specialized positions that are continuing regular University appointments.

Start Date: September 16, 2019
