### Job Summary:

The Earth and Physical Science Department at Western Oregon University invites applications for a tenure-track, Assistant Professor. We seek a broadly trained geoscientist with expertise in Geographic Information Systems and Geospatial Technology. The successful candidate will be strongly committed to undergraduate teaching in the areas of GIScience, cartography, and remote sensing as part of a GIS minor/certificate program and the BA/BS Earth Science major. In addition, our new colleague will enthusiastically teach General Education Earth science courses to a diverse student population. The candidate will also develop a research program that involves mentoring undergraduates and engaging service contributions to the institution. <http://www.wou.edu/academics/earth-science/>

***We are not considering candidates who require Visa sponsorship support. Additionally, the university typically only considers visa support for employees placed in specialized positions that are continuing regular university appointments.***

### Minimum Qualifications:

- Ph.D. in Geology, Geography or closely related field (ABD will be accepted, although all degree requirements must be completed by September 16, 2020.)
- Demonstrated ability to teach courses at the undergraduate level in the areas of GIScience, cartography, and remote sensing as part of a GIS minor and Earth Science major, in addition to introductory Earth science courses

Western Oregon University (WOU) [www.wou.edu](http://www.wou.edu) is a mid-sized public comprehensive university located in the heart of Oregon's lush Willamette Valley. The university serves a large number of first-generation college students. WOU has received national recognition for its commitment and success in serving students. The campus is about 20 minutes from Salem, the state's capital, about 75 minutes from Portland, the state's cultural hub, and a short drive from the Oregon coast, mountains, and other scenic areas. The university is located in an increasingly diverse, bilingual, and rural area in the Willamette Valley. Our student body of about 4800 undergraduate and 600 graduate students enjoys a vibrant and close-knit intellectual community.

**Western Oregon University is an AA/EOE/Veteran/Disability employer and is committed to fostering diversity in its student body, faculty, and staff.**
