## Saturday, Oct. 31, cont.

### Going back to school

11 a.m. to 12:10 p.m.

RSVP required

Is this a nightmare or an opportunity to take (or retake) classes you never had the chance to take as a student? Current WOU professors and students will be teaching short 30 minute seminars on a variety of topics. Alumni and their guests will have the opportunity to learn something new and see

what current students are learning on campus. Don't miss this chance to relive your collegiate days and earn an easy A. (Note: These educational sessions have no impact on your real GPA; just in case you were wondering.)

### Alumni pre-game lunch

Noon to 2 p.m.

RSVP for a free drink ticket

Have you ever seen what a hungry pack of wolves looks like at lunch time? If not, come on down to the Rookies tent in the stadium parking lot. While you're there, grab some food to satisfy your own hunger and join your fellow alumni in tailgating prior to kick off.

### Homecoming football game

2 p.m.

McArthur Stadium

Watch a real-life nightmare on Church Street unfold as the Wolves take on the Humboldt State Jacks. During half-time, this year's Homecoming Court will be crowned along with the presentation of our former athletes. (Former athletes must RSVP to be included in the presentation.)

**Don't go home yet! The night's just getting started!**

### Pumpkin catapult

Let WOU's ROTC program show you how to launch a pumpkin with a catapult as it brings back to life this medieval weapon of destruction. If launching pumpkins under a full moon does not excite you, nothing will.

### Psychodramatron 2009 presents: Death Lab 13

8 to 10 p.m.

Winters Building

Experience all the scariness of Halloween on campus at WOU's Death Lab 13. Current theatre students guarantee they will make it a night to remember. All the proceeds will go to support the Theatre Department.
