

This video will show you how to look up who your academic advisor is. To determine who your academic advisor is you must access the general student information of your wolf web account. This information can be obtained by simply signing into wolf web, navigating to the student menu tab, then the student records section and finally the general student information section. Your academic advisor as well as your curriculum information regarding your degree is listed here.

This section, of wolf web is a vast resource to you as a student, we in the advising center recommend you utilize this resource by reviewing the information listed. If you have any further questions, feel free to contact us at 503.838.8428.
