

TIMETABLE FOR POST-TENURE REVIEW

Article 8, Section 7 of the WOUFT/WOU collective bargaining agreement

A. Tenured faculty will be evaluated once every three years by the DPRC...

The timetable for the first post tenure review after granting of tenure will begin following the completion of the first year that tenure becomes effective. Thereafter, the post tenure timetable will begin following the completion of the year in which the last post tenure review was done. Examples appear below:

Example of post tenure timetable for newly tenured faculty member

Tenure becomes Effective 16 September 2012 2012-13 = first year that tenure is effective	Year one of tenure 2013-14	Year two of tenure 2014-15	Year three of tenure 2015-16	Year four of tenure 2016-17 post tenure review is completed
--	-------------------------------	-------------------------------	---------------------------------	---

Example of post tenure timetable for tenured faculty member

Post tenure review was last completed in academic year of 2012-2013	Year one since last review 2013-14	Year two since last review 2014-15	Year three since last review 2015-16	Year four 2016-17 post tenure review is completed
