## Bilingual Teacher Initiative

Western Oregon University's ESOL/Bilingual Education program prepares teachers to ensure that students succeed in all aspects of their schooling: academics, socialization, linguistic development, acculturation, and physical and emotional health. The program leads to an add-on endorsement to an Oregon teaching license. Students may complete the ESOL/Bilingual program by itself or in conjunction with an undergraduate or graduate degree program.

## Reading Endorsement

The WOU Reading Endorsement program focuses on preparing K-12 teachers to be reading specialists or to improve their knowledge and skills in teaching reading. This 21 credit graduate program focuses on reading theory, curriculum, assessment, and strategies to enhance and broaden both reading specific knowledge and other responsibilities encountered by classroom teacher, resource teacher and reading specialist. The program leads to an add-on endorsement to an Oregon teaching license. Complete the Reading program by itself or in conjunction with a graduate degree program.

**New Library/ Ed  
Media Endorsement**

Courses offered in a variety of formats (online, face-to-face, campus-based, hybrid, weekend workshops, and summer institute). Teachers will learn to administer school libraries, to develop and organize library collections, and to teach information and media literacy skills. Endorsement classes are graduate level and can apply towards an MSED: Information Technology Degree.
