International students who will study at WOU on an F-1/J-1 visa must first obtain an I-20/DS-2019 Form from WOU before they apply for the student visa at a U.S. Consulate. The U.S. government requires WOU to obtain verification of a student's financial capability to live and study for the first year at WOU. The I-20/DS-2019 document will not be issued without the completion of the information on both sides of this form and submission of the necessary supporting documents. All expenses are subject to change.
