

Western Oregon University College Democrats

The Western Oregon University College Democrats are a group of enthusiastic WOU students who believe in the message of the Democratic Party.

Acting as the official outreach arm of the Democratic Party on campus, it is also our goal to educate fellow students on ways to get involved in the political process on the local, state, national, and campus levels. The group has been active on campus since 2003.

This display case contains memorabilia from the last four years on campus.
