COMMUNITY IDENTITY

We Are Family

curator: Rollie Wisbrock, Salem Artist

Focusing solely on portraits of the people of Salem and its environs, all of the works began as "on location" sketches and each piece was completed on-site. Locations included coffee shops, open-air markets, on the streets, in pubs and gathering places around town.

Hidden Transparencies - Institutions In our community

curator: Judy Wong, Salem Artist

Through drawings and paintings, Judy Wong brings to light those who are often overlooked in our community; joining voice of Dr. Dean Brooks to speak out against dehumanization in institutions.
