Program notes & Additional Degree Requirements

Biology majors, regardless of emphasis, are required to maintain a C average in courses that are used to satisfy biology degree requirements.

Students graduating in the various emphases of the biology major are required to take a standardized exit exam in their last year.

Each course can fulfill only one specified requirement within the major.

BI 406 credit may be substituted for one course in the selected emphasis with pre-approval of the student's Biology advisor.

Minimum degree requirements of at least:
- 180 or more total credit hours
- 62 Upper Division credit hours
- 45 of last 60 credits earned at WOU campus
