Instructions and Scoring Rubric for Study Abroad or International Internship Presentation

Student name: _____

Location of program/internship
and term studied/interned abroad _____

In preparing your PowerPoint presentation, consider the following:

- What is the purpose of my presentation?
- Who is my audience?
- What does my audience know and what do I need to explain?
- How much time do I have? (10 minutes)
- What do I need to include in the presentation? (See below.)
- How can I most effectively use text and photographs to describe my experience studying or interning abroad?
- Since this is an academic assignment, how can I best deliver the presentation in an engaging, professional manner? (Remember that spelling and writing mechanics matter!)

The overall PowerPoint presentation is evaluated on completeness, accuracy, relevance, interest of text and photos, flow of presentation, and professional presentation.
