2015-16
UNDERGRADUATE APPLICATION
Western Oregon University
wou.edu/admissions
Use this check list to help you get organized:

**ADMISSION**

**Freshman:** Scholarship priority receipt date: Feb. 27, 2015
- Application for Undergraduate Admission sent to the Office of Admissions with $60 **non-refundable** application fee or Request for Deferral of Application Fee Form.
- Request official transcripts be sent by high school to the Office of Admissions and provide a list of senior year courses. Also request any official college transcripts.
- Official test scores (ACT or SAT) sent to the Office of Admissions.

**Transfer students:** Scholarship priority receipt date: Feb. 27, 2015
- Application for Undergraduate Admission sent to the Office of Admissions with $60 **non-refundable** application fee or Request for Deferral of Application Fee Form.
- Official transcripts from all colleges or universities attended sent to the Office of Admissions.

**HOUSING**

(Beginning Oct. 1, 2014)
- Housing Application (page 14) sent to University Housing with a $40 **non-refundable** application fee.
- **Transfer students:** University Housing also has information about local rentals if you wish to live off campus.

**FINANCIAL AID**

Priority receipt date: Feb. 1, 2015
- Free Application for Federal Student Aid (FAFSA) completed and sent to the Federal Processor.
- WOU listed as one of the schools that will receive your financial information.
Application procedures

1. Complete the Application for Undergraduate Admission and send it to:
   Office of Admissions
   Western Oregon University
   345 N. Monmouth Ave.
   Monmouth, OR 97361
   Please include the $60 non-refundable application fee or Request for Deferral of Application Fee Form. The application fee is valid for one academic year.

2. Send an official high school transcript showing all course work through your junior year and provide a list of senior year courses. Upon graduation, you are required to provide an official transcript confirming graduation and showing all course work and grades. Also request any official college transcripts. 
   Note: final high school transcripts must be received by Sept. 1 in order to receive your financial aid.

3. 2015 high school graduates with college credit are required to follow freshman application procedures and meet freshman admission requirements.

4. Submit results of either the ACT with the writing exam or SAT Reasoning Exam. When you take the test, list WOU as one of the recipients of your scores.
   ACT school code: 3480
   SAT school code: 4585

5. Students who submit a complete admission file and all required scholarship forms by February 27 will receive consideration for WOU academic scholarships.

Minimum admission requirements

To be considered for admission, freshman applicants need to meet all of the following requirements:

1. **You must have graduated from a standard or regionally accredited high school.** We will admit you before your graduation date if you can demonstrate on the application how you plan to meet our admission requirements by that time, but we require a final high school transcript verifying graduation, final GPA and completion of subject requirements in order to finalize your admission.

2. **You must have at least a 2.75 cumulative grade point average.** If below a 2.75, see the admission alternatives section on page two.

3. **Submit ACT or SAT Reasoning Exam scores which include a standardized writing examination.** Applicants with a 2.75 cumulative grade point average who graduated prior to 2012 are exempt from the ACT or SAT Reasoning scores requirement.

4. **You must satisfactorily complete 15 subject requirements with a C- or better.** These requirements are as follows:
   - **English (4 years)** - English language, literature, writing, speaking and listening, with emphasis on and frequent practice in writing expository prose during all four years.
   - **Mathematics (3 years)** - First-year algebra and two additional years of college-preparatory mathematics selected from geometry (deductive or descriptive), advanced topics in algebra, trigonometry, analytical geometry, finite mathematics, advanced applications, calculus, and probability and statistics, or courses that integrate topics from two or more of these areas. (One unit is highly recommended in the senior year. Algebra and geometry taken prior to ninth grade will be accepted, if transcripted by your high school with a grade of C- or better.)
   - **Science (3 years)** that shall include at least one year each in two fields of inquiry based college preparatory science such as biology, chemistry, physics, or earth and physical science. Science courses that are "inquiry based" provide students the opportunity to apply scientific reasoning and critical thinking to support conclusions or explanations with evidence from their investigations. It is strongly recommended that one year be taken as a laboratory science.
   - **Social science (3 units)** that shall include analysis of societal issues and events. It is strongly recommended that study include knowledge and use of geographic information, patterns of U.S. history, patterns of human history, structures and systems of U.S. government, and analysis of economic systems.
   - **Foreign language (2 years)** - Two years of the same foreign language required. **Foreign language requirement:** Students are required to have two years of the same foreign language at the high school level. Students who graduated from high school in 1996 or earlier do not need to meet the foreign language requirement. A student may also elect to take two quarters or semesters of the same foreign language at the collegiate level. American Sign Language meets the foreign language requirement.
   - **American Sign Language meets the foreign language requirement.**
   - **Note:** If you are lacking in one of these areas, consult the admission alternatives on the next page. Exception to meeting the specific subject requirements for admission will be granted to students who graduated from high school prior to 1985.

5. All students from the Federated States of Micronesia, the Republic of the Marshall Islands, and the Republic of Palau must submit a minimum TOEFL score of 190 (paper score of 520). WOU will also accept Michigan test scores. A minimum score of 75 is required for undergraduate admission and 80 for graduate admissions.

6. All WOU academic scholarships require 2015 high school graduates to complete a minimum of three approved college preparatory credits with a C- or better in their senior year.

CAMPUS SECURITY ACT NOTICE

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Act of 1990, WOU issues an annual security report that is published and available online at wou.edu/admin/safety/survival. The annual report contains information about campus security and topics such as crime prevention, university law enforcement authority and crime reporting procedures. Information for the Clery Act can be found on the WOU website at the bottom of every page under the WOU Campus Safety Report. Hard copies of the report are available from the Office of Campus Public Safety, 345 N. Monmouth Ave., Monmouth, OR 97361, or contact us at 503-838-8481.
General Education Development (GED)

Students who did not graduate from high school but received a GED must fulfill each of the following requirements:

1. Receive a minimum score of 410 on each of the five GED subtests or a minimum score of 150 on each of the subtests for the 2014 GED.
2. Receive an average score of 550 for the five tests or an average score of 170 for the four subtests on the 2014 GED.
3. Meet the second language requirement, if graduating class would have been 1997 or later (see second language requirement section).
4. Home-schooled students who received a GED are eligible for admission if they fulfill the above requirements.

Graduates of unaccredited high schools or home-schooled students

Students graduating from an unaccredited high school or who were home-schooled must fulfill each of the following requirements:

1. Receive a composite score of 21 on the ACT (including the Writing section) or a combined score of 1000 on the SAT Reasoning Exam (Critical Reading and Mathematics sections).
2. Receive a minimum score of 470 on each of two College Board SAT Subject Tests (Math level I or IIC and another test of the student’s choice). Students who do not take a SAT Subject Test in a foreign language must prove language proficiency through another process.
3. Meet the foreign language requirement (see foreign language requirement section).

Admission alternatives

Freshman applicants with a cumulative grade point average between 2.50 and 2.74 are eligible for admission if they receive a composite score of 21 on the ACT or a combined score of 1000 on the Critical Reading and Mathematics sections of the SAT Reasoning Exam. If you do not meet the 15 subject requirements, you may be required to meet one of the following conditions:

1. Score an average of 470 or above on the SAT Subject Test in two sections (math level I, or IIC; and a second test of your choice*). The combined score must be 940 or above for the SAT Subject Test.
   * If you are taking the SAT Subject Test to meet the foreign language requirement, you must receive a score of 530 or above in the foreign language section.
2. Make up course deficiencies by repeating courses in high school or taking college course work (transfer or developmental) for specific subject requirements and achieve a minimum grade of C- or better.

Scholarships

1. Apply for admission to WOU

Submit a completed admission file before Feb. 27 for the most consideration for presidential scholarships (for freshmen) and provost scholarships (for transfer students). These scholarships are awarded based on academic achievement data from the admissions application. No separate application is required.

2. Apply for additional WOU scholarships and awards

To be considered for additional awards, complete the online WOU General Scholarship and Award Application. This one application covers nearly 100 awards. If you are an outstanding student from a diverse cultural, educational or economic background, complete the WOU Diversity Commitment Award Application. Both applications are available from the Financial Aid Office or online at wou.edu/scholarships.

   Athletic awards are available to exceptional student athletes in all of the official WOU sports. To inquire about athletic awards, contact the Department of Athletics at 503-838-9030.

   Refer to the Financial Aid website at wou.edu/scholarships for specific deadlines and additional scholarship opportunities at Western Oregon University.

3. Research and apply for private scholarships and awards

Many scholarships and awards are available through private and civic organizations. Spend the time researching and applying for them. Places to look include employers, places of worship, professional organizations, civic or service groups and private businesses.

   Search the free online search sites. There are many out there that will match you up with your particular achievements and academic goals. Focus only on free sites, and be skeptical if you are ever asked to pay a fee.

   The Office of Student Access and Completion (OSAC) awards more than $18 million in scholarships and grants annually. A list of awards and applications are available online at GetCollegeFunds.org or by calling OSAC at 1-800-452-8807.
Application procedures

1. Complete the Application for Undergraduate Admission and send it to:
   Office of Admissions
   Western Oregon University
   345 N. Monmouth Ave.
   Monmouth, OR 97361
   Please include the $60 non-refundable application fee or Request for Deferral of Application Fee Form. The application fee is valid for one academic year.

2. You must request that official transcripts be sent from every college or university you have attended (whether credits were earned or not) to the Office of Admissions. If you took foreign language in high school, send a high school transcript (see previous page for foreign language requirements).

3. Students with less than 36 transferable, college-level quarter hours (24 semester hours) must submit an official high school transcript and ACT or SAT Reasoning Exam scores.

   Students with less than 36 transferable college-level quarter hours must meet all freshman admission requirements and have a 2.25 grade point average in all college-level course work. ACT or SAT Reasoning Exam scores are not required for transfer applicants with less than 36 transferable, college-level quarter hours who graduated prior to 2012 with a cumulative high school grade point average of 2.75 or higher.

4. 2015 high school graduates with college credit are required to follow freshman application procedures and meet freshman admission requirements.

5. Students who submit a complete admission file and all required scholarship forms by Feb. 27 will receive consideration for WOU scholarships.

Transfer admission requirements

1. Students with 36 or more transferable, college-level quarter hour credits (24 semester hours) must have a cumulative 2.25 grade point average or higher in all college-level work attempted and be in good standing at all prior institutions attended. Transfer applicants are required to have a writing course beginning with Writing 121 (or the equivalent) with a grade of C- or better, and college algebra or above with a grade of C- or better, or the equivalent of Math 105.

2. If you have less than 36 quarter hours (24 semester hours) of college work, you must submit your high school transcripts and ACT or SAT Reasoning Exam scores. Students with less than 36 transferable quarter hour credits must meet all freshman admission requirements and have a 2.25 GPA in all college-level course work.

3. Foreign language requirement

   Transfer students are required to have taken either two years of the same foreign language while in high school or two quarters or semesters of the same college-level foreign language. Students who graduated from high school in 1996 or earlier do not need to meet the foreign language requirement. American Sign Language is acceptable in meeting the foreign language requirement.

   Note: If you completed this language requirement in high school we will need your official high school transcript sent with your admission application to verify completion.

Evaluation of transfer credit

You will receive an official evaluation of your transferable course work with your acceptance letter. The Office of Admissions evaluates transfer work to determine which courses will be transferred and also determines if these courses fulfill WOU's general education requirements, known as the Liberal Arts Core Curriculum (LACC). WOU's catalog explains LACC guidelines (wou.edu/catalog), and the Office of Admissions can provide specific information about course transferability. Your major/minor departments will determine if your transferable courses meet major/minor requirements.

Transfer degrees from Oregon

Associate of Arts/Oregon Transfer degree (AAOT) or Associate of Science/Oregon Transfer degree (ASOT)

Students who attend an Oregon community college and earn an AAOT or ASOT-Business degree meet all of WOU's LACC requirements. Applicants who obtain an AAOT or ASOT degree from an Oregon community college are guaranteed admission with a cumulative grade point average of at least 2.00. Some selective enrollment programs recommend that prerequisite courses be completed within the AAOT/ASOT degree to be considered for admission into these programs.

Transfer degrees from other states

Students from surrounding Western states can transfer to WOU through the use of their state's transfer degrees. Students who earn one of the following degrees will meet WOU's LACC requirements.

- California: Intersegmental General Education Transfer Curriculum, California State General Education Breadth Certificate, Transfer Admission Guarantees (TAG) with various California community colleges. Go to wou.edu/california for more information.
- Hawaii: Articulated Associate of Arts from the University of Hawaii
- Washington: Direct Transfer Degree

Community college and vocational/technical credit

If you are transferring from a community college, you may transfer a maximum of 124 quarter hours of course work. A maximum of 24 hours of elective credit will be granted for technical or vocational classes taken at an accredited two-year college. Some programs at WOU may allow additional vocational credit.

Concurrent enrollment partnerships

Concurrent enrollment partnerships are designed to allow qualified student access to WOU and the selected community college. As a dual enrollment participant, students can attend classes at either school, utilize financial aid to pay tuition incurred at both schools, and use campus facilities and services such as academic advising and tutoring. Please contact the WOU Office of Admissions for more information.

Oregon Transfer Module (OTM)

Students who have earned the OTM will meet the WOU first-year general education requirements. For purposes of registration only, students holding the OTM will be considered to have at least sophomore standing. Applicants who obtain an OTM from an Oregon community college are admissible with a cumulative grade point average of at least 2.00.
A limited number of students who do not meet admission requirements, but can demonstrate a level of college preparation that will enable successful transition to college, may be admitted through action of the Comprehensive Admission Review Committee. To be considered by the committee, you must submit the following:

1. A personal letter stating why you do not meet the admission requirements and what you are doing to address deficiencies. The letter should include information on your career and academic goals and why you want to attend WOU.

2. Three letters of recommendation from school personnel who can objectively evaluate your academic preparation. Letters from family members, friends and employers will not be considered by the committee.

Review of these materials by the committee does not guarantee admission. With conditional admission, additional courses and academic support activities may be recommended or required.

Application fee deferral
Eligible freshman and transfer applicants may defer the application fee. The applicant will be required to pay the fee upon enrollment or will have the sum deducted from any financial aid funds received. Eligibility is determined by meeting certain income requirements that indicate financial need. For a complete listing of eligibility requirements and Request for Deferral of Application Fee Form, refer to wou.edu/apply.

Change of entry term
The non-refundable $60 application fee is valid for one academic year (fall through summer). If you plan to begin attending WOU during a term within the same academic year other than the one for which you applied, you must request in writing that we reconsider your application.

You will not need to send an additional $60 if you request consideration within the same academic year. If you wish to enroll during a subsequent academic year, you must resubmit an application, updated transcripts and a new application fee.

Honors Program
Freshman
Students with a 3.50 high school grade point average, ACT scores of 27, or a cumulative score on the critical reading and math sections of the SAT of 1150 or more are encouraged to apply. Specific application requirements can be found on the Honors Program application at wou.edu/honors.

Transfers
Students seeking admission to the two-year Honors Associate Program should have a minimum college cumulative grade point average of 3.25. Additional requirements can be found on the Honors Program application.

Apply
Complete the application for admission and the Honors Program application. The Honors Program application is available online at wou.edu/honors, by calling 503-838-8389, or request by mail to:

Honors Program Director
Western Oregon University
345 N. Monmouth Ave.
Monmouth, OR 97361

Notification
Admission decisions are made on a rolling basis once your file is complete. However, students who are seeking alternative admission may experience a delay in notification. Applications for admissions will be reviewed throughout the year. The Admissions Office reserves the right to rescind the admission of any student who fails to meet the conditions of their admission to WOU.

Residence classification: members of Oregon tribes
Students who are enrolled members of federally recognized tribes of Oregon or that ceded or reserved lands within the state of Oregon shall be considered residents regardless of their state of residence.

Students who are enrolled members of federally recognized tribes of Oregon or who are enrolled members of a Native American tribe which has traditional and customary tribal boundaries that included parts of the state of Oregon or which had ceded or reserved lands within the state of Oregon shall be assessed resident tuition regardless of their state of residence. For a complete listing of Native Americans tribes eligible for this consideration, please visit the following website (OAR 580-010-0037).

A student seeking to be assessed resident tuition under the provisions of this rule shall submit, following procedures prescribed by the institution where the student seeks to enroll, a photocopy of tribal enrollment which documents tribal membership.

Tuition equity
House Bill 2787 provides that certain students are entitled to exemption from nonresident tuition and fees at public universities. In summary, WOU may grant in-state tuition for undocumented students who have attended school in the country for at least five years; studied at an Oregon high school for at least three years; graduated from an Oregon high school; enroll in university no more than three years from graduating from high school; and show intention to become a U.S. citizen or lawful permanent resident.

First-time undergraduates (freshmen and transfers) who are admissible under current WOU admission requirements and meet the requirements of HB 2787 may be assessed in-state tuition rates at WOU. Please note: the assessment of in-state tuition rates under HB 2787 do not change a student’s residency status.

Students should follow the normal steps to apply for admission. Students wishing to be considered for in-state tuition rates under HB 2787 should answer the citizenship question as “no” and then check the box that asks if the student wishes to be considered for in-state tuition under HB 2787.
In addition to completing the undergraduate application for admission, students wishing to be considered for in-state tuition rates under HB 2787 are required to provide an affidavit and request for exemption from nonresident tuition and fees. Please contact the Office of Admissions toll free at 1-877-877-1593, option 1, for more information.

Residency
Please pay close attention to the Tuition Classification for Enrollment section on page ten of the application. The data you supply here determines whether you pay in-state or out-of-state tuition.

If you are under 24 years old, you are required to answer all the questions for yourself and a parent or guardian. If WOU’s residency officer needs more information in order to make a decision, we will ask you to complete a residency affidavit.

Returning after an absence
If you have previously been admitted to WOU and have attended, complete an Application for Re-Enrollment (available in the Registrar’s Office).

If you have attended WOU as a non-admitted student, complete this undergraduate application for admission and freshman or transfer application procedures.

Note: If you have completed a baccalaureate degree since your absence from WOU, you will need to complete a Graduate or Post-Baccalaureate Application for Admission. See pages 85-98 of the WOU Course Catalog for more information, or go online to wou.edu/catalog.

Veteran benefits and services
Information regarding veteran benefits and services is available through the WOU Registrar’s Office. Specific information can be found online at wou.edu/registrar. WOU has been recognized as a military friendly school by G.I. Jobs. WOU is also a participant in the Yellow Ribbon Program. The WOU Veterans’ Clerk can be contacted at 503-838-8183. Oregon veterans are encouraged to visit the Oregon Department of Veterans’ Affairs website at oregon.gov/ODVA.

Western Undergraduate Exchange (WUE) tuition rate program
The WUE program offers qualified students the opportunity to pay 150 percent of resident tuition. If you are a resident of one of the participating WUE states (Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, South Dakota, Utah, Washington and Wyoming) or the Commonwealth of the Northern Mariana Islands and would like to apply for the WUE tuition rate program, you must complete the following requirements:

- Submit an application for admission
- Be admitted to the university under standard admission procedures

High school students
Incoming freshmen must also meet the specific academic requirements: minimum 2.75 grade point average and satisfactorily complete 15 subject requirements with a C- or better. Applicants with a cumulative grade point average between 2.50 to 2.74 are eligible for the WUE Scholars Program if they receive a composite score of 21 on the ACT or a combined score of 1000 on the Critical Reading and Mathematics sections of the SAT Reasoning Exam.

Transfer students
College transfer students must also meet the specific academic requirements: minimum 2.25 cumulative grade point average on 36 or more transferable, college-level quarter hours (24 semester hours), and have a writing course beginning with Writing 121 (or the equivalent) with a grade of C- or better, and college algebra or above with a grade of C- or better, or the equivalent of Math 105.

The WUE tuition rate is renewable up to 12 terms for high school student recipients. Transfer student recipients will receive a reduced number of terms based upon the number of credits transferred. All students must maintain good academic standing as defined by the university. For more information about WUE, contact the Office of Admissions at 503-838-8211.

To comply with the Tax Payer Relief Act of 1997, Western Oregon University must obtain your correct social security number (SSN) to file returns with the Internal Revenue Service (IRS) and to furnish a statement to you. The returns filed by WOU must contain information about qualified tuition and related expenses.

The Privacy Act of 1974, section 6109 of the Internal Revenue Code, requires that you give your correct SSN to agencies that must file information returns with the IRS. The IRS uses your SSN for identification and to verify the accuracy of your tax return. For more information, please refer to Internal Revenue Code section 6050S. By signing the application, you give your permission for the use of your SSN to assist WOU in developing, validating, or administering predictive tests and assessments; administering student aid programs; improving instruction; identifying students internally; collecting student debts; or comparing student educational experiences with subsequent work-force experiences.

When conducting studies, WOU will disclose your SSN only in a manner that does not permit personal identification of you by individuals other than representatives of WOU and only if the information is destroyed when no longer needed for the purposes for which the study was conducted. By providing your social security number, you are consenting to the uses identified above. This request is made pursuant to the Oregon Revised Statutes 351.070 and 351.085. You are not required to consent to the use of your SSN for research, if you choose not to do so, you will not be denied any right, benefit, or privilege provided by law. You may revoke your consent for the use of your SSN at any time by writing to the Office of Admissions. If you do not give consent to use your SSN for research, please attach a note requesting a system-generated number.

* Some of these programs may require prerequisites or a separate application. Please contact the appropriate department if you have questions about these limited enrollment programs.*
APPLICATION FOR UNDERGRADUATE ADMISSION

A $60 non-refundable application fee or deferral form is required to process your application. Enclose a check payable to Western Oregon University. The application fee is only valid for this academic year. Please print responses.

1. Social Security Number: ___ ___ ___ - ___ ___ - ___ ___ ___ ___ (Please refer to Social Security Number (SSN) Disclosure Consent Statement on page five.)

2. Legal name: ____________________________________________________________
   Last First Middle

3. Other name(s) that may appear on your academic records: ______________________________________________________________

4. Which quarter and year are you entering WOU?  
   - Fall _______  
   - Winter _______  
   - Spring _______  
   - Summer _______

5. What is your intended major? ___ ___ ___ ___ - ___ ___ - ___ ___ (See list of codes for undergraduate majors on page six.)

6. Mailing address: ____________________________________________________________  __________________________
   P.O. Box  Home phone (include area code)
   Street address  Cell phone (include area code)
   City  State  ZIP  County or province

   Email

7. In case of emergency, WOU may contact the following person:
   - Mother  
   - Father  
   - Guardian  
   - Other (please specify) _____________________________________________________

   Last name  First  Middle
   Permanent address  City  State  ZIP
   Home phone (include area code)  Work phone (include area code)

   Email

8. Gender:  
   - Male  
   - Female  
   - Other ____________________________________________________________

   Date of birth: ___ ___ / ___ ___ / ___ ___ (month/day/year)  
   Place of birth:  _______________________________________________________
   City  State

9. Are you a citizen of the United States of America?  (Failure to respond will result in a delay in your application process.)
   - Yes  
   - No  

   If not, of which country are you a citizen? ____________________________________________________________

   Immigrant/permanent resident number: A - ___ ___ ___ ___ ___ ___ ___ ___
   Date issued: ___ ___ / ___ ___ / ___ ___ Attach photocopy of permanent resident card, front and back.
10. ❑ I wish to be considered for in-state tuition (Tuition Equity) under HB 2787 (see page four).

To comply with federal statistical reporting requirements, Western Oregon University must ask for the following demographic information (sections 10 and 11.) We encourage you to provide the information, but doing so is entirely voluntary, and your application will receive the same consideration whether or not you do.

11. Please indicate your ethnic identity by checking one of the following: Are you Hispanic or Latino? ❑ Yes  ❑ No

12. What is your race? Please choose one or more:
❑ American Indian or Alaska Native
❑ Asian
❑ Black or African American
❑ Native Hawaiian or other Pacific Islander
❑ White (original peoples of Europe, the Middle East, or North Africa)

13. Did either of your parents graduate from college? ❑ Yes  ❑ No

14. Are you a veteran of the United States Armed Forces? ❑ Yes  ❑ No

15. Is English your first language? ❑ Yes  ❑ No

WOU values and welcomes LGBTQ students. We have services and resources that might be of interest to you. If you select “yes” to the question below, we mail you more information. Your response will not be shared outside of the university and is not used in our admission decision.

16. Do you identify with the LGBTQ community? ❑ Yes  ❑ No  ❑ No response

17. Name of high school: __________________________________ City: ________________________________ State: ________

Date of graduation or date you expect to graduate __________________________________

18. Freshman self-report of college preparatory subject requirements:
• 2015 high school graduates are required to complete this section regardless of whether they meet transfer student requirements.
• Enter courses you are taking during your senior year of high school in the following subject areas. Failure to list courses will delay the processing of your application.

23. Certification and release authorization: Must be read and signed by all students to certify the accuracy of the information provided:

I certify that I have provided complete and accurate responses to the items on this application. To the best of my knowledge, I further certify that all official documents submitted in support of this application are authentic and unaltered records that pertain to me. I authorize release of any information submitted by me in connection with this application to any person, firm, corporation, association or government agency, but only to verify or explain the information.

- I authorize the Office of Admissions to release to my parents or legal guardians information regarding my application, test scores, transcripts and other supporting documents as they relate to my admission status.
- I do not authorize the release of the information in my file.

I also authorize WOU to use my SSN for tracking and statistical purposes as outlined in the Social Security Number Disclosure Consent Statement on page five of this document.

Applicant’s signature _________________________________________ Date __________________________________
Financial Aid Information (2015-16)

The information in this publication is as accurate and up-to-date as possible and is in accordance with the latest federal and state guidelines. Some dollar amounts and regulations are subject to change and may affect current policies and procedures. Refer to our website at wou.edu/financialaid for more details.

How and when do I apply for financial aid?

All students wishing to be considered for federal financial aid should complete the Free Application for Federal Student Aid (FAFSA). The FAFSA is filed online atfafsa.gov.

In order to be considered for all the aid types WOU offers, your FAFSA must be received by the Federal Processing Center as soon as possible after January 1, but no later than February 1. You may still complete the FAFSA after Feb. 1, but certain limited aid types may not be available to you. When completing your FAFSA, you may use estimated tax information so you can meet the Feb. 1 deadline. After you complete your federal tax return, you can correct your FAFSA estimates to the actual amounts.

Can I view my information online?

WOU students can track the status of their financial aid data via a Web module: a secure, self-service channel to access financial aid award status. To access the Web module, visit the Financial Aid Office website at wou.edu/financialaid and click on “My Financial Aid.”

What types of financial aid are available?

Financial aid is intended to assist students with paying the costs of college by providing grants, work-study and student and parent loans.

Grants
Most grants are funds that do not require repayment and are available to eligible undergraduate students. The Federal TEACH Grant is also available to eligible graduate students.
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal TEACH Grant (requires four years of teaching service after graduation)
- Oregon Opportunity Grant
- WOU Tuition Grant

Federal Work-Study

The Federal Work-Study Program provides funding for students to work part-time on campus or in a community service position off-campus to earn money to assist with paying for college. The Service Learning and Career Development Office can help students find a work-study job. If you do not qualify for work-study, that office can help you find a part-time job on- or off-campus.

Loans
Most financial aid is in the form of student and parent loans. Federal student loans do not require repayment while the student is in school, and most student loans allow a grace period after graduation before a student begins repayment. Parent loans usually require repayment while the student is attending school. For detailed information on the loan programs at WOU, visit wou.edu/financialaid.

Scholarships

Scholarships are available from WOU and from numerous private donors and foundations. Visit our scholarship information on the Web at wou.edu/scholarships for the most current information on application procedures and deadlines.

What happens after I apply for financial aid?

The Federal Processor will notify you once your FAFSA is processed and explain how to make corrections to your FAFSA if you filed using estimated tax information. The Federal Processor will also provide your FAFSA information to WOU if you listed WOU as a school to receive your information when completing the FAFSA.

Once WOU has received your FAFSA, the Financial Aid Office checks to see if you have applied for admission. WOU will offer financial aid packages to students with a valid admission application on file with the Admissions Office. WOU may need copies of certain documents to complete your financial aid file and will request them from you if necessary.

Once we complete the review of your financial aid file, we will send you an award letter that details the types and amounts of financial aid you are eligible to receive. We send award letters beginning in late February and continuing through summer. Students who complete the FAFSA early, have applied for admission and have complete financial aid files receive the first award letters. You will have three weeks to accept or reject the aid, or risk cancellation of your aid without further notice.

What requirements do I have as a financial aid recipient?

If you are receiving financial aid, you are responsible for satisfactory academic progress. Detailed information on satisfactory academic progress will be included in your award letter packet or is available online at wou.edu/financialaid.

Be sure to report additional financial resources (such as outside scholarships, stipends, tuition remission, vocational rehabilitation benefits, etc.) to the Financial Aid Office so any necessary adjustments can be made and possible repayment of aid can be avoided.

Remember that your financial aid package was created based on the information from your FAFSA. If your or your family’s situation has changed since filing the FAFSA, contact the Financial Aid Office about your special circumstances and your resources may be reevaluated.

Where do I find the answers to other questions?

Financial Aid Office
Administration Building, Room 310
Western Oregon University
Monmouth, OR 97361

Call us to make an appointment to speak with a financial aid counselor at 503-838-8475 or 1-877-877-1593, opt. 2 (toll free)

Research indicates that students who live on campus generally have higher grade point averages and graduate with greater frequency.

The University Housing & Campus Dining program provides a variety of room and board options, as well as live-learn opportunities that enhance the academic experience gained in the classroom.
UNIVERSITY HOUSING AND CAMPUS DINING

Application procedures
You must apply for admission to the university before you apply for housing. Space will not be guaranteed unless you have completed the formal registration process.

We will accept your housing application beginning October 1 for the following academic year and your priority date will be the date your housing application and fee are received in our office. We encourage you to apply early. Any applications received prior to October 1 will be dated October 1.

For more information about the residence halls before making your decision, visit our website at wou.edu/student/residences. If you still have questions, please call University Housing at 503-838-8311, toll free at 1-877-877-1593, opt. 4, or by email at housing@wou.edu.

Choosing a roommate
You may indicate a preferred roommate by listing that person’s name and student ID number on the application. To be placed together the person you request must also request you to validate the roommate selection. You must also both rank your building choices the same and for Ackerman requests, live-learn community preferences must also be the same to be placed together. If you don’t have a preferred roommate, a roommate will be assigned to you.

The residential community
Because of the educational value of on-campus living, all single first-year students without dependents and who enter WOU within one year of high school graduation are required to spend their first year in university-operated housing. Many returning and transferring students also choose to live on campus for convenience, available services, and varied activities.

WOU offers a variety of accommodations for on-campus living. Rooms, suites and apartments are primarily set up for occupants of the same gender, but there are apartments that are gender inclusive (and other spaces by request). Availability of specific options is subject to demand and facility designation. All residence halls are tobacco-free communities. There are designated tobacco use areas in outdoor locations throughout the residential community.

Ranking your residence hall choices
The enclosed application requests that you rank your hall and room style preferences. For descriptions and room tours, go online to wou.edu/student/residences.

Residence halls
All rooms are carpeted and have window coverings. In addition, each room is furnished with the following:

- Desk
- Chair
- Wardrobe/closet
- Storage drawers
- Extra-long single bed (36” x 80”)
- Bookshelf or shelves
- Garbage can/recycle bin

Each room is wired for telephone service, caller ID and voice mail; students must bring their own touch tone phone and arrange with telecommunications for phone line activation (a separate fee will apply). All rooms have wireless access and are also hard-wired for computer hookups and cable TV.

Live-learn communities
Live-learn communities are designated communities within Ackerman Hall that function around a specific theme or academic interest. The purpose for offering live-learn communities is to provide students with the option to live with others that share a similar interest or goal with respect to their academic and/or residential experience.

If you are interested in a live-learn experience, please rank your live-learn choices within the live-learn community options section in the housing application.

Meal plans
The residence hall meal plan is a debit account that allows you to purchase any amount of food at any time of the day at the Valsetz Food Court (the main location for residential meals), or at any Campus Dining location.

Contracts
Housing is granted on the basis of an agreement between Western Oregon University and the student. By signing, you agree to spend the entire academic year (or remainder thereof) in university housing. Term contracts are available only to returning and transfer students, for fall and winter terms.

Canceling the contract
If you leave the residence halls, and continue to attend classes at WOU, your account will be charged a cancellation fee for the remainder of the academic year for breaking your contractual agreement with the university. If you withdraw from WOU during the academic year you will be released from your contractual obligations.

^ Currently $7 per day, subject to change.
Term/year applying for:
- Fall 2015
- Winter 2016
- Spring 2016

Contract options:
- Yearly contract: $40 non-refundable application fee

Specific roommate requests
Please give the full name and student ID number (V# - if known) of your preferred roommate(s). Your chosen roommate must also request you.

It is to your advantage to submit requests by May 30.

#1 Roommate name and V# (if known):

#2 Roommate name and V# (if known):

Resident meal plan
REQUIRED FOR RESIDENTS IN ACKERMAN, BARNUM, BUTLER, GENTLE, HERITAGE AND LANDERS HALLS. SELECT ONE:

- Plan #1, $225 food dollars/term
- Plan #2, $350 food dollars/term
- Plan #3, $450 food dollars/term
- Plan #4, $550 food dollars/term
- Plan #5, $120 food dollars/term

Meal plan amounts listed are wholesale food dollars that residents will have to spend per term. Unused food dollars roll over into the next term, but are not refunded at the end of the academic year. As an incentive for our returning residents, students who re-new their contract to live on campus the following year and complete a financial commitment to do so, may roll their remaining food dollars in excess of $20 into their meal plan for the coming year. **An average wholesale meal price is $3.**

Meal plan #2 is the most popular plan; 40 percent of the residential population select this plan for winter and spring terms. A minimum of $20 can be added at any time for immediate use. Written meal plan change requests are accepted for the following term. (Meal plans cannot be changed within the term for that term).

*For those applying for fall term, please note that hall assignment, roommate and contract information will be mailed to your home at the end of July. If you do not receive your assignment before you leave for school in September, please contact the Office of University Housing when you arrive on campus. If you are applying for winter and spring terms, you will receive your building assignments when you arrive on campus at the beginning of the term for which you applied.*

*Complete the placement questionnaire on the following page. Please note that incomplete applications may be skipped and processed last.*

*Additional costs apply (limited availability).*
Placement questionnaire
All applicants must fill out this questionnaire when submitting the completed housing application to University Housing - even if you already know who you want to live with.

This questionnaire will assist our office with assigning you a roommate who has similar living habits to yours. We cannot guarantee that all of your answers will exactly match those of your assigned roommate. Please check only one response for each question. If you are unsure, pick the answer that best matches you most of the time.

1. I object to living with a smoker.
   - Yes
   - No

2. I am a smoker.
   - Yes
   - No

3. I object to the use of chewing tobacco in my room.
   - Yes
   - No

4. I use chewing tobacco.
   - Yes
   - No

5. I prefer to study in my room.
   - Yes
   - No

6. When I study, I prefer to:
   - Listen to music
   - Have the TV on in the background
   - Study with friends
   - Study in a quiet environment

7. My preferred (sleeping) temperature is:
   - 65° or less
   - 65 – 70°
   - 70 – 75°
   - 75° or more

8. My preferred time to wake up is:
   - By 8 a.m.
   - By 10 a.m.
   - By noon

9. I like to stay up until:
   - 10 – 11 p.m.
   - 11 p.m. – midnight
   - Midnight – 1 a.m.
   - After 1 a.m.

10. When I sleep, my sensitivity to noise is:
    - Very light sleeper – awakened by mild noise
    - Average sleeper
    - Heavy sleeper – not bothered by noise

11. Having a neat and clean room is how important to you?
    - Very
    - So-so
    - Who cares?

12. I will socialize in my room:
    - A lot
    - Some
    - Very little

13. I like to listen to music:
    - As background music
    - Moderately loud
    - Loud

Voluntary information
Please note information that should be considered for room or roommate assignments.*

*NOTE: Disability accommodation requires additional documentation. Contact the Disability Services Office for more information: wou.edu/student/disability/future_student.php

Meal plan details
A minimum of $20 can be added at any time for immediate use by calling the Housing Office, 8 a.m. to 5 p.m., Monday - Friday. Call 503-838-8311 or toll free: 1-877-877-1593, opt. 4

Written meal plan change requests are accepted for the following term. (Meal plans cannot be changed within the term for that term). Emailed requests will be accepted: housing@wou.edu

Students living in the Arbor Park complex have complete kitchens within their apartments and are therefore not required to select a meal plan.

Requests and assignments
Requests for specific hall / room type (including live-learn communities) and/or specific roommate, must be noted on the application. Once University Housing receives your application, we will send you a letter of confirmation.

While every effort is made to honor specific hall type and roommate requests, applications are processed by date of application; thus, we may be unable to meet specific requests.

It is to your advantage to submit requests by May 30.

Cancellations
Cancellation of housing reservations should be submitted in writing to University Housing. If you have not checked into campus housing by the end of the first day of classes or have not made prior arrangements with University Housing for a later arrival, your reservation may be canceled.

- All assignments are based on availability.
- Incomplete applications may be skipped and processed last.
This publication can be made available in alternative formats to assist persons with disabilities. Please give reasonable notice to WOU's Office of Admissions at 503-838-8211 (V/TTY) or toll free at 1-877-877-1593. The information in this publication is as accurate as was possible to obtain at the time of publication.
