## Mission

To provide 1st generation, underrepresented college students a support program that will assist in ensuring academic and personal success at Western Oregon University

## What is On Track?

On Track is not meant to replace your regular academic advisor nor is it designed to replace any services provided by the Student Enrichment Program. On Track is designed to assist and support students with the following goals in mind:

- Promote academic success
- Foster personal and professional growth
- Provide opportunities for social development

## Benefits

### Academic Support

MSSP will track your academic progress each term to make sure you maintain Good Academic Standing and are successfully working towards completing your major program requirements and your Bachelor's degree.

### On Track List Serve

You will receive the latest information about scholarship, internship, job, and volunteer opportunities, cultural events, and much more!

### Student Support Services

MSSP will work with Student Services Offices on campus to provide you with workshops and informational sessions designed for your personal and professional development.

## Be a Part of On Track!
