Diversity Initiative Grant

As part of Western Oregon University’s Diversity Plan, UDC desires to assist in increasing campus-wide awareness of diversity and social justice issues. Progress on the Diversity Action Plan requires both the systematic involvement of all campus units and the regular dissemination of results among stakeholders. It also requires the identification and commitment of funding and resource allocation. In our ongoing process to address diversity and social justice issues, we have identified the goals below as a foundation for our current plan:

**Goal 1:** Create a climate and culture of leadership, inclusivity, excellence and preparedness for our changing world by providing direction and training for the campus community founded upon and supporting the evolution of WOU’s Diversity Statement.

**Goal 2:** Recruit and retain a diverse student population

**Goal 3:** Build a welcoming campus community that supports recruitment and retention of diverse faculty, staff and administration.

**Goal 4:** Develop and strengthen the University’s relationships with diverse communities
