

For the Greener Good

Campus Dining has teamed up with a local company EcNow Tech to green up their TO-GO service in all their restaurants! EcNow Tech is providing compostable cups AND compostable lids for your campus-coffee-dining pleasure! These new compostable to-go containers will be featured in all Campus Dining establishments. You can still find your great Portland Roasting coffee, it's just that NOW, you can have your coffee and not feel bad about your 3-cup-a-day habit! ENJOY!

We started with GREEN lids, all purchased from are moving on to based products with our restaurants!
