- IV. Guest speakers
 - a. Relay for Life – SAB: Michelle Shayane and Tara. Relay for life is an event on campus, this is it's second year and we would like to start making it a tradition. We would like each government to make a relay team and get more people involved in some friendly competition. It raises money for Cancer patients in need. It will be in New PE on April 28th and 29th. It's a fun event that celebrates people overcoming cancer. Asking each person to try and raise 25\$ and there is a 10\$ registration fee. And to get a reserved campsite in the gym we are asking for a 25\$ person donation.
 - b. This money can be raised or donated to you by friends and family.
 - c. There must be at least one team member on the track at all times
 - d. There will be registration tables in the WUC
 - e. You can also make a survivor bag that with a name and message about that survivor on it. Bags cost \$1
 - f. Kick off BBQ is Feb 8th 11-1pm outside the WUC Come by for more info.
- V. Finance Director's Report- \$6982.38
- VI. Funds Proposals
 - a. RHA Bucks - Shelby and Alyssa
 - i. RHA Bucks is an incentive to get on campus students to programs. Every time you come to a program, you get a buck to write your name on. Then you get a chance of winning a TV

prize pack at the end of the term. The more you attend the better your chances

- ii. We are asking for \$400 dollars to Fred Meyer
 - iii. Questions: We will start handing them out this Sunday at can the community and will hand them out at every inclusive program (So not Leadership) RAs and hall Gov members can win. We decided to do one bigger prize basket instead of smaller ones because we thought it would be more incentive if the prize were bigger. Each Buck is like a raffle ticket and they will be given out at only RHA programs
 - iv. Micky moves to allocate \$400 to Fred Meyers for RHA Bucks
 - v. Kim seconds
 - vi. Discussion: Seems like a really good incentive to get people to do
 - vii. Motion passes 19:0:2
- b. Brown Eyed, Blue Eyed – Kyle Rush
- i. Asking for 225 to Werner Catering for Brown eyed Blues eyes that will be Feb. 26th from 6-9pm in the Pacific rooms. Following the event there will be a tunnel of oppression and a club and org area. The money will go to Pizza Salad and Water. Will buy 10 gallons of water 25 pizza and 4 salads this event is a simulation with diversity. I put it on last year and it was done the year before. It has been for on-campus in the past but trying to expand this year. Am reaching out to lots of different campus organizations.
 - ii. Marika moves to allocate \$225 to WUC catering for Brown eyed Blue eyed event.
 - iii. Alyssa Seconds
 - iv. Discussion: Love the program but am uncomfortable with the amount of money being spent. Have heard of it before and that it is empowering and moving Think it will be a success. This program was presented at PACURH and is a good program. I have attended in the past and encourage everyone to attend who have not. Sounds like a cool experience and food is always a great incentive to get people to programs. This is a lot of money, and 200 people is a high number to expect. Part of that means that we all need to do our part and talk it up. Also, Kyle

is working with other large organizations and both on and off campus students. Krista is going to be encouraging everyone she knows to attend
