IV. Reports

- a. WUC Director, Jon Tucker

IFC's final budget has been forwarded to the Student Senate. If the Student Senate approves it the next step is to President Minahan. The WUC received \$635,000.00. A little more than last year.

- b. Dining Services Director, Julie Whitley

The Den activities that have been held so far have not been well attended. She would like to hold off opening The Den until fall term. Some suggestions for boosting attendance were advertising at the back entrances of the buildings, advertise at Valsetz, guitar hero matches, DDR, alcohol and video games. Julie would also like to do a "preview of fall activities" in The Den before Fall Term.

V. Old Business

- a. Dead week hours: Monday & Tuesday the WUC will be open until 1am. Wednesday – Saturday the WUC will be open until 2am.
- b. The Focus Groups were not well attended. Jon did a survey through Survey Monkey.com. It cut off after 100 responses. Jon will send copies of the responses to committee members. Some ideas:

Lunchtime programming  
Add booths  
More comfy

Café Allegro outlet  
Snack bar  
3<sup>rd</sup> area  
Fireplace all the way through  
More homey  
Table too small  
Double the tables in the middle  
Different set ups and configurations for the tables

- VI. New Business
- a. Repairs - Moving forward on repairs for Service Learning and Career Development, the dishwasher in the grill/deli area and the Oregon Room chandeliers. Replacement of the dishwasher will be \$3,500.00 and Jon has been assured the existing chandeliers will not fall.
  - b. Summit
    - Study area
    - Small meeting areas for working lunches
    - Advertise there is a student study area, laptops can be checked out at the Info Desk
  - c. The Den
    - arcade games
    - brighter lighting for studying
    - TV for Spanish
    - Move the pool table out
  - d. Posters in the bathrooms
    - Should we have a policy?

    - Think about it. This will be discussed at the next meeting
