Bryan Kelley from ASWOU spoke about Day of Silence, April 19th from 8am – 6pm. Night of Noise is at 6pm in the Mount Jefferson room. Buttons are being made for those in support or who are participating.

A large amount of Safe Zone’s archived materials have been brought up and are being sorted through. Once sorted, the materials may be added to Safe Zone’s library.

The following materials are completed but are not in the J: drive:
- Sexual Orientation and Gender Identity questionnaire
- Coming Out Stars
- Terminology 1

The following materials are being completed:
- Creating a Safe Zone/Being an Ally Angie/Stephanie
- Hetero/Cis Privilege Carli/Allison – meeting Monday

Beyond the Binary 1 - completed & tabled to next meeting

SLA has requested an Ally 1 training. The committee was concerned about the preparedness of trainers with the updates to materials. It was decided that we are prepared but the website materials need to be updated.

Safe Zone is half way through our budget pre-birthday. The budget will be sent to the committee via email.

The by-laws have been updated and approved by the committee to include a Public Safety position and our minimum and maximum committee member numbers have been updated to reflect this change. Unfortunately, our current meeting time does not work for our Public Safety representative, so we will change it for the Fall.

Safe Zone will be hosting a ButterBraid fundraiser for Mother’s Day. There will be a table at the birthday and Monday, May 6th through Wednesday, May 8th and pickup will be Friday the 10th.

Sara Grant of ASWOU is working to create a Cultural Competency training similar to the one created by Lane Community College or just bring the LCC version to our campus. Safe Zone may help create this training. She is on the agenda for April 16th

Safe Zone’s birthday is April 30th. The schedule is as followed:
- “What is Safe Zone?” Lunch and Learn, 12-1pm, ACK 140
- Keynote Speaker Emily Plec, 1:15-1:30pm, Willamette
- Cupcakes and beverages, 1:30 – 2:00pm, Willamette
- Angie will talk to catering about cupcakes or they may be ordered from Roths. We do want to be clearer about how we want the cupcakes to look this year. Water/lemonade will be ordered from catering.
- The birthday booth will have two booths, one for information and training sign-ups and another to sell t-shirts and ButterBraids.

Safe Zone was invited to the Ackerman Hall Earth Fair on Sunday April 21st. While Safe Zone has participated the past couple years, we will not this year.

Train the Trainer Training dates are on deck for next meeting.
