Safe Zone Executive Meeting  
Tuesday, November 6th, 2012  
3pm ~ WUC Santiam

There was a motion to suspend by-laws in regards to elections due to the poor turnout of this meeting. With the suspension, the committee decided to hold elections at this meeting and host voting in an electronic survey form. Voting will now be online via Google and will be open from Friday, November 9th to Friday November 16th. There will be a meeting next week, November 13th, for a meet and greet of candidates.

The following individuals were nominated:

- Executive Chair- Carli Rohner and Angela Barry
- Executive Chair Elect- Stephanie Anderson (confirmed nomination)
- Community Events Chair- Carli Rohner, John Wilkens, and Holly Eckles

The nominees have 48 hours from the time they are emailed to accept or decline their nomination.

The It Gets Better poster making event was a success, drawing 20 participants.

An idea for Safe Zone’s Lunch and Learn series was introduced: “What an ally is and isn’t.” This topical would be about informing people that being an ally is more than not hating the LGBTQ community as well as other pertinent topics. Partnering with Student Leadership and Activities was considered. The current Community events chair, Stephanie Anderson will contact SLA for potential partnership.
