Safe Zone Executive Meeting
Tuesday, October 23, 2012
3pm ~ WUC Rogue

The committee discussed the new by laws and several questions were answered:

- Elections will be on the first meeting in November (November 6th)
- The executive chair, executive chair-elect, and community chair will be elected. Only staff and faculty are eligible for these positions.
- Training chair and fundraising chair will also be elected, but anyone is eligible.
- This is the only year we will elect both the executive chair and the executive chair-elect. Usually, the executive chair-elect would take over the next year. That way, this person already has one-year of experience.
- With the new set up, it eliminates less-involved members voting on budget and gives members more social opportunities.

Community event meetings must be held bi-monthly and are led by the community events chair. Some examples of a community events meeting are the Lunch and Learn series, the Pride Foundation info session, the It Gets Better poster making meeting, etc.

Elections will be November 6th at 3pm. Room is TBA. IT Gets Better Poster Making will be Monday night, November 5th from 4-6. Room is TBA in Ackerman. Valsetz table toppers are being made.

The committee brainstormed ways to grow the Safe Zone committee as well as ways to reach out to staff and faculty:

- Allfacstaff/all student/ list serv emails, handmade table toppers, posters around WUC (on easels), contact hall governments (they can host events and fund events)

A Crush Trivia night will be hosted Wednesday, October 25th, 2012 from 4-6. One wristband will get you 15% off order and costs $5.

A Burgerville fundraiser will be held on November 13th from 5-8. 10% of proceeds go to Safe Zone. We will look for volunteers during elections.
