

Safe Zone meeting
Friday, February 3rd, 2012
1pm ~ Hamersly Library 205

The Brainstorm of the Week was about our upcoming 6th birthday on Monday, April 30th. There was a call for cupcakes, as there was last year. There may be a local bakery that could be utilized. For the birthday, an entertainer could be brought in or an educational event hosted. Dignity night was set for around the same time and we could combine them.

The Valentine's fundraiser will be February 8-10 from 11am to 1pm, and the 13 and 14 from 10am to 2pm upstairs in the Werner center next to the book buy back area. We will be selling the following:

- Lollipops- red and pink for \$0.50 (144 ordered) as well as rainbow swirled ones for \$1 (2 dozen ordered)
- Truffles- sell the 13th and 14th. They would be sold individually for \$0.50.
- Cards would be given out with candies and sold individually for \$0.25

We have three confirmed truffle makers, each making different kinds of truffles. There was an idea that if we did this event, or a similar event, in the future, there could be a delivery service developed.

Burgerville Night is set for February 15th from 5pm to 8pm to align with the Central High School Basket Ball schedule. 15% of profits made at this time would go to Safe Zone. Volunteers were organized.

Rocco and Katz will be coming March 7th at, granted we can get the funding. They will also give a Trans 101 workshop a 3pm. Seeing as the committee does not have all of the funds for this event, the intern and members will attend the Monday, February 6th Senate meeting at 7pm in the Columbia to request a \$2,500 grant.

There was a call to gather Safe Zone, Triangle Alliance, and Stonewall volunteers to form a Relay for Life team. The event is April 28th-29th from 6pm to 8am. The cost is \$10 a person.

There is another event called Brown Eye, Blue Eye and it was requested that there be a Safe Zone booth at this event. It will be held on February 26th at 6pm.
