

**Safe Zone meeting**  
**Friday, January 27th, 2012**  
**1pm ~ Hamersly Library 205**

The Making It Better Kick Off was Thursday, January 26<sup>th</sup>, from 6 to 8 pm in the Pacific Room. We held a debrief and the following thoughts and ideas for the future were compiled:

- Have the panel only be for people who are on it and have more general and less specific questions
- More cookies
- Advance notice for BYO shirts
- Have a volunteer training prior to event that trains for all booths and have volunteers be at the tables
- The room set up was good but the video space needs to be rethought
- Good timing- it was good to have the panel later
- More advertising and have schedules posted at event

The traditional health fair is scheduled for February 1<sup>st</sup> from 10am to 2pm in the Pacific Room. Volunteers were requested for the event.

The Valentine's fundraiser will be February 6-10, 13, 14 from 11am to 1pm upstairs in the Werner center. The cards have been printed and the items below were agreed upon:

- Lollipops- buy solid colors (red and pink) as well as rainbow swirled ones, which would be sold for more
- Truffles- sell the 13<sup>th</sup> and 14<sup>th</sup>. They would be sold individually for \$0.50. Cards would be given out with candies.

The other ideas were assembled: there would be extended hours 13/14 and advertise the lollipops and truffles separately. Advertising would be through photos, Facebook, posters, and all student/staff-fac emails.

Burgerville Night is set for February 15<sup>th</sup> from 5pm to 8pm to align with the Central High School Basket Ball schedule.

March 7<sup>th</sup> at 7 or 7:30 was requested for the Rocco and Katz concert. They will also give a Trans 101 workshop a 3pm. The committee currently does not have much money for this event. Money will be requested from Student Senate, the Gender and Sexual Diversity Advocate, and Resident Hall Associate General Assembly.
