Mathematics 396 Grading Sheet Directions

- ✓ Fill out sheet with:
 - Your name
 - o The homework due date
 - o The homework assignment number
 - o Circle or underline your professor's name
- ✓ Fill in, per question
 - o The problem number
 - o The chapter
 - o The set name
- ✓ Staple the completed sheet to the front of your homework.

Mathematics 396 Rubric Categories

Strategy

- 0 Unclear (no evidence of strategy)
- 1 Partial (strategy partially effective or partially clear)
- 2 Effective (effective strategy that will solve the problem clearly in use)

Accuracy

- 0 Incorrect (all of the problem)
- 1-3 Partial (partially correct)
- 4 Correct (completely correct)

Completeness

- 0 Missing (the problem is not done)
- 1-2 Partial (only part of the problem is done / only some of the steps are shown)
- 3 Complete (the whole problem is done and all steps are shown)

Communication

- 0 Poor (another reader can not follow your work)
- 1-2 Adequate (another reader is unclear why you did some steps)
- 3 Good (another reader should be able to follow your answer easily)
