Math 394 Textbook Assignment 1

Due Wednesday, April 7 by 4:30 pm

For each problem:
• Copy the original question onto your homework page that you will turn in
• Follow Polya’s four steps for problem solving listed on Page 4 of your text
• State the problem solving strategy that you used (Draw a Picture, Guess and Test, or Use a Variable)
• Write your answer in a complete sentence and circle this sentence

Pages 10 – 14, Exercises 2 – 26 Even and 40, 45
